Continuation of Substance of Interview including description of the general nature of what was discussed: Upon further consideration although the amendment and response filed 10/11/05 overcomes the rejection over WO00/15555, the claims are rejectable for obviousness-type double patenting as being obvious over the claims of US patent 6,663,687 in view of Fife (U.S. Patent No. 6,051,044). To avoid this rejection and to put the application in condition for allowance, applicant is advised to file a terminal disclaimer.
